RENOWNED FOR CREATING exquisite interiors for the hospitality market for over 20 years, WA International Dubai Interior Design Studio, established in 1993, has nurtured an award-winning reputation and established an enviable clientele with longstanding relationships reflecting its superlative performance and commitment to unique interiors.

The company's One&Only Royal Mirage project is a beautiful luxury resort on 65 acres comprising of three distinctive hotels: The Palace, consisting of 221 guestrooms and suites; the Arabian Court with 170 guestrooms and suites, and the exclusive Residence & Spa with 48 guestrooms and suites as well as a unique private villa.

WA International were commissioned for the complete refurbishment of all guestrooms and suites for all three properties over the

past several years. Included in this vast refurbishment program WA International's team also refined, restored and refurbished the lobbies, receptions, ballrooms and 10 restaurant and bar venues.

The One&Only Royal Mirage's underlying beauty is its stunning Arabesque architecture. It was therefore imperative for the WA International team to delve into the uniqueness of each of the three properties.

The Palace is the oldest of the three properties on the site and has a strong heritage of majestic Moorish influences, while The Residence and Spa reflects a more local Emirati style. The Arabian Court demonstrates an imposing Middle Eastern fort. The company consistently referenced these three styles for inspiration, ensuring authentic spaces for guests to experience the warmth of Middle Eastern hospitality.
