**PASSIONATE ABOUT DESIGN**

Renowned for creating exquisite interiors for the hospitality market for over 20 years, our Dubai Design Studio, established in 1993, has nurtured an award-winning reputation and established an impressive clientele with longstanding relationships reflecting our superlative performance and commitment to unique memorable interiors.

A leader in hospitality design, we understand and value the changing industry trends which are governed by today's sophisticated world traveller. Our detailed knowledge and passion for design, combined with a precise interpretation of our client's requirements, enable us to work with you to develop solutions that respond to both your immediate and long-term goals; by raising standards and ultimately enhancing the brand equity of a project's owner and operator.

We have built our reputation and strengthened our philosophy of designing through innovation, not formulae. Just as no two clients have the same requirements, no two design solutions have the same approach. We believe that every project presents a unique opportunity to create a truly unique interior – one that is sensitive to its location, architecture and client's vision.

It is with this versatility, uniqueness, originality and creativity that our designs continue to inspire.

**The Team**

WA International's creative team of exceptionally talented design professionals brings a diversity of experience, creativity, talent, fresh perspective and originality, combined with excellent technical expertise, extraordinary attention to every detail and a passion for design. It is with this enthusiasm and integrity that we look forward to transforming your individual needs into unique, memorable and inspired interiors.
